SUMMARY

I am a highly responsible and driven professional with a strong problem-solving orientation, with the **7+ years of experience** in web development and have been working in the field **100% remote.**

I am looking for an opportunity where I can use my extensive knowledge of web application developing mostly in **PHP and SQL backend**, also where I can continue growing professionally.

I take pride in the consistently **positive feedback** from customers who express satisfaction with my coding work.

I love learning and consistently driven to **update my knowledge and skills** within my career field.

WORK EXPERIENCE

SENIOR PHP DEVELOPER	**2016 - 2023**
Siemens	**Prague / Full Remote**

During my time in this company my responsibilities encompassed various tasks such as:

- Implementing new features, integrating 3rd party API-s (**RESTful, Open API, SOAP, GXS OpenText, Exchange Web Services, Global Shipping and Tracking API**-s), solving technical challenges in a huge and complex web portal of hundred thousand users
- Fixing existing bugs, **optimizing** the performance PHP and SQL level.
- Responsible for **designing** PHP applications and database structures.
- **Code review** of other team members
- I also took **responsibilities** on **project management** tasks:
  - **Sprint planning**, tasks distribution in team members coordinating the development to meet deadlines
  - **Organizing meetings** with project managers, customers, to provide updates on the progress.
- **Security**: check and fix vulnerabilities on the windows servers.

Using tech stack of **Yii2, Laravel 10, Vue 3, PHP 8.2, MS SQL Server, MySQL 8, Git, jQuery, Ajax, Bootstrap, MS Teams.**

Understood and applied software development principles, design patterns and coding standards. (**DRY, SOLID**)

Knowledge of agile methodologies (**Scrum**) and project manager tools (**Mantis Bug Tracker, Jira**).

EDUCATION

Computer Engineering Diploma BSc University of Szeged	**2010 - 2016**
High School Diploma Mathematics and Informatics Faculty Radnóti Miklós Experimental High School	**2004 - 2010**
